

How to get to Bill Harrison's office

my office:
318 EBN

EBW
is
here

...or go in here, up the stairs, elevator to the left

...or enter here, through the
fire door on the first floor; elevator right in
front of you

Start here, go north up the only hallway you can, turn right
once you reach the end of the hallway, continue on and take the
left at the end of the hall to the elevator.
